## SERVICES

### Offset Printing

Our offset printing services are perfect for large print jobs for brochures, company letterhead, newsletters, and product catalogs. Offset printing allows us to produce consistent, high-quality printed graphics without size restrictions.

### Digital Printing

Digital printing offers you an affordable means to print business documents of all types. Digital printing is used for on-demand printing, allowing you to keep a lower inventory. This is a popular printing service for companies who need to keep printing costs low and don't need to print substantial volume.

### Labelling

MULTICOM Ltd specializes in creating custom labels to fit a variety of needs. Whether you need custom adhesive signage for equipment, our labelling services can help.

### Additional Printing Services

We offer a variety of additional printing services, including:

- Book Printing • Flyers • Header Card • Signage • Business Cards • Tags
- Large format printing • Brochures • Catalogue

### PRIMARY COMPETITIVE ADVANTAGES

We're proud to offer extremely competitive pricing for our printing services, we have the best quality in the region because we are the only facility equipped with such machines. We invested in the machines and clients are always highly satisfied with the quality that comes from them, which is what matters most. We have a good structure, apart from the quality, we have good customer relationships and put emphasis on our delivery times, which I would say are our strong points. If we tell you two days, we keep our word.

### PERSONNEL'S QUALIFICATIONS, CAPABILITIES & EQUIPMENTS
